

JANUARY 2020

SHARE & CARE CENTER NEWS

Holiday Surprises

We were overwhelmed with our families thoughtfulness this holiday season. Thank you for the lunch, bagels, coffee cakes, cookies, gift cards, etc. We really appreciate your thoughtfulness.

Closing out the year!

Each family will receive an envelope with the year end statement for 2019 tax purposes. All tuition accountants must be up to date by January 10th to secure your child's attendance at Share and Care.

School Days

There is ***no public school*** on Friday, January 17th Monday, January 20th due to the Martin Luther King holiday. A sign up for your school age child's attendance is posted on the classroom clipboard. **Please remember** if your child is committed to attending and we don't receive a call 24 hours ahead of time to cancel their attendance you will still be charged \$20 for full day attendance.

Health Policy

As listed in our parent handbook: Your child must be **symptom free** from fever, diarrhea, vomiting, etc. for 24 hours before returning to the center.

The local news has been reporting the continuous outbreak of the flu. We would appreciate your support of our health policy as we continue to insure the safety of all the children at our center.

Sign Out

It is imperative that you or your pick up person sign your child out of their classroom clipboard. We utilize this tool in aiding us to keep classroom numbers at their capacity.

Social Media and more

If you haven't already "like" our facebook page and continue to receive updates of your child's day and friendly reminders. Visit: Share and Care Learning Center, Inc.

Please visit our website: **shareandcarelearning.com**. We continue to strive to keep each family updated on center news, classroom happenings and weather/health alerts.

Handwashing

We are strictly enforcing our hand washing policy upon your child entering the center. Signs have been posted as a daily reminder. It is important for your child's health to follow this DCFS policy to ward off re-infection of any and all viruses.

Bad Weather

As listed in our handbook if West Aurora School Dist. #129 closes due to bad weather(snow) then Share and Care will close. If you are ever in doubt please check our facebook page, website or our answering machine.

Nap Items

Every child that attends during the day has a rest time. We ask that each Monday the family provides a clean blanket, pillow case, and soft sleep friend. On your child's last weekly attendance day you bring the items home to be cleaned and returned the following week. Our laundry loads have increased due to children not coming with the appropriate nap items.

Spring Fundraiser

Share and Care will be having a Popcorn fundraiser in the Spring. We appreciate your support to help raise funds for replacing the flooring in the center.
