

3rd – 7th Grade August Newsletter

Our summer is quickly coming to an end. We really did have a great summer together. We were lucky enough to get some bowling in, enjoyed many great parks and even some splash pads. Thank you all for making sure your child had money for the activities, arrived on time and with everything they needed.

This month our numbers are a little higher so we might not be able to get out and about as much as we have before. As of now we don't have any fieldtrips scheduled for August. Please read the notes posted on our clipboard, that's where we will be posting our updated plans.

Miss Emma will be starting her Junior year of college at Illinois State University. Her last day with us August 7th.

By now each of you have let SD129 know of your choice, either Blended Learning or Virtual Learning. We can't imagine this was an easy decision for some of you. What a crazy world we are living in. The good thing is that the children will do fine in whatever situation your family decided to choose.

We are really hoping next summer can be "back to normal" and we will be able to go back to our fun pool time, more fieldtrips, and Mr. Chris! Have a great school year!
